PRINCIPAL'S REPORT  
September 2010

## WORDS FROM MISS FALISKIE

It is my pleasure to welcome you to the 2010-2011 school year. Whether you have been with us before or are new to us this year it is my hope that your experience will be nothing but positive.

Our theme for this year is...From Back to the Future...

As you know we are preparing to enter our new building in the fall of 2011 I am sure you are as excited as we are, as you drive by and see the progress daily. You can also see the changes on our website at [www.westernwayne.org](http://www.westernwayne.org)

During the course of the year, we will be running a contest to name the school, plan closing celebrations in the current buildings, and enjoy the memories of the past and moments ahead for the future.

Please join our PTA and get involved in helping plan these events. Close cooperation between home and school is essential in promoting the best interests of children. Please feel free to call me regarding any concerns you may have. We are looking forward to another successful year.

Happy New Year

Ellen M. Faliskie
