

Shorten Your Path to a College Degree

Western Wayne High School is an ONLINE TESTING SITE for CLEP !!!!

What Is CLEP? CLEP (College Level Examination Program) is the most widely accepted **credit-by-examination program** in the United States today, helping students of all ages earn college degrees faster by getting credit for what they already know. By receiving a satisfactory score, you can earn from **3 to 12 college credits** toward your college degree for each CLEP you take, depending on the exam subject.

- **Save time.** Get college credit for what you already know.
- **Save money.** Compare the cost of a CLEP exam, just \$77, to hundreds -- even thousands -- of dollars in tuition.
- **Make college more interesting.** Move right into advanced courses.
- **Satisfy a proficiency requirement.** Demonstrate you've already mastered the content of, for example, a basic math or language course. Great for dual-degree candidates or students just a few credits shy of graduation.
- CLEP examinations cover material taught in courses that most students take as requirements in the first two years of college. A college usually grants the same amount of credit to students earning satisfactory scores on the CLEP examination as it grants to students successfully completing that course.
- Each exam is 90 minutes long, and, except for English Composition with Essay, is made up primarily of multiple-choice questions; however, some exams do have fill-ins.
- **Most candidates study on their own** for the exams. You should determine if a quick review of the material provides you with sufficient preparation, or if you need to develop a full study plan.
- **CLEP policies vary from college to college.** Before you register for a CLEP exam, check with the college you will be attending to learn which exams your college recognizes.
- **Receiving scores.** Normally, you should receive your score report instantly with the exception of the English Composition with Essay.
- **Sending score reports.** At the time you take the exam, you can indicate in the test software the college, employer, or certifying agency that you want to receive your CLEP test scores. There is no additional cost for this service — your exam fee covers it.
- **To Schedule** a testing time please see Ms. Tagle in the guidance office.
