

## Elective Credit

Western Wayne School District provides elective credit for the following courses sponsored by a fire company:

- Firefighting I
- Emergency Medical Technician

The following criteria must be met for this elective credit to be awarded:

- Proof of membership in the fire company
- Brief course description to be filed in the district
- Number of hours of instruction
- Copy of certificate of completion

Upon the receipt of this information, one elective credit per course will be entered on the student transcript with an indication of a “P” (passing) grade. This grade will not be part of the computed grade point average.
